\$50,000 EVERY MONTH TO LOAN ON REAL ESTATE IN THE CITY OF WASHINGTON BY THE PERPETUAL BUILDING ASSOCIATION IN SUMS TO SUIT.

Terms easier than can be obtained elsewhere. If you are building, then interest is only charged on the money obtained, not on the whole loan, mill it is all taken out. Settlements are also made at any time in sums of \$75 or \$150, thus saving the payment of interest on money you don't need. When done building you may pay us off by obtaining a straight loan, though this is not always the best thing to do. There are no commissions charged and the expense of obtaining advances is extremely moderate, often not exceeding \$15, including everything.

NEGRO WON HIS CASE.

Had Bought a First-Class Ticket and The court of civil appeals of Texas has affirmed the decision of the lower court in the case of the Pullman Palace Car

Company against Thomas W. Cain, a negro minister, who purchased a first-class ticket from St. Louis to Galveston, but was com-pelled to ride on a "negro" car.

The appellate court held that where a ticket is sold for a separate coach, like a Pullman, that a negro is entitled to pas-sege in that kind of a car, or the com-pany is liable for damages.

John Corwine, paymaster of the Newport money under false pretenses, has been granted a continuance until March 23. Commander McGowan and Lieut Clarke of the training station were present to arrest Corwine upon another charge, should his case have been disposed of.
